## Our Environmental Experts Are Ready to Assist You

CIA's Environmental Services Division provides a combination of education, experience, and training to ensure client partners receive superior claims management in this specialized area. We maintain a nationwide database of response contractors who can conduct remediations of environmental spills and incidents anywhere in the US and provide the following:

- ▶ 24/7/365 Response with vetted contractors
- ▶ Hazardous & Non-Hazardous waste management
- ▶ Forensic auditing of invoices & reports
- ▶ Active management of cleanups
- ▶ Preferential pricing & services
- ▶ Regulatory interpretation & reporting

Let us show you how CIA's Environmental Team can save you as much as 30% or more on your environmental spills/incidents.
