

## RISK MANAGEMENT & INSPECTION SERVICES

*Due to the increased dollar value of losses and unknown exposures it is imperative to have qualified inspection services.*

- > Network of certified and highly qualified risk inspectors across Canada
- > Service clients in both domestic and international markets

Our capabilities and extensive experience allow us to handle many types of inspections, including:

- > *Commercial Property and Premises Liability*
- > *Residential High Value Homeowners*
- > *Residential External Inspection*
- > *Product Liability*
- > *Contractors Liability Report*
- > *Playground Equipment Report*
- > *Thermal Imaging*
- > *Oil Tank Certification*
- > *WETT Certification*
- > *Agricultural Commercial*
