

Large Loss Unit

Complexity Handled with Care

Our Large Loss Unit is made up of **highly technical adjusters** with extensive experience in the handling of high-value property losses. This centralized unit oversees the handling of all kinds of multi-faceted property losses, ensuring that each is handled with the **care and urgency** they require.

With an average of **20 years of experience**, our Executive General Adjusters and General Adjusters handle these complex losses for a variety of industries, and under various coverages:

- ▶ **Hospitality Risks**
- ▶ **Agricultural Risks**
- ▶ **Inventory/Stock Losses**
- ▶ **Mining Risks**
- ▶ **Time Element Losses**
- ▶ **Equine/Livestock Risks**
- ▶ **Warehousing/Transportation Risks**
- ▶ **Heavy Equipment/Construction Risks**
- ▶ **Personal/Commercial Building Losses**
- ▶ **Manufacturing/Mercantile Risks**
- ▶ **Boiler Equipment Breakdown Coverage**
- ▶ **Machinery Equipment Breakdown Coverage**

By utilizing our Large Loss Unit (LLU), you can be assured of **immediate response** at a moment's notice, followed by **expert loss adjustment** for multi-faceted property losses.
